7 Sec. 7.3. The Administrator shall have charge of all  
8 transferable property and shall have authority to take  
9 possession and control of such property in order to transfer or  
10 assign any such property to any other State agency that has  
11 need or use for such property or to dispose of said property in  
12 accordance with Section 7 of this Act.

13 The Administrator may not dispose of a transferable  
14 airplane by sale until he or she determines that (i) the agency  
15 no longer has a need for the airplane, (ii) the airplane will  
16 not be used as a trade-in on another aircraft, and (iii) no  
17 public university or college in Illinois that offers courses in  
18 aviation, flight training, or other subjects involving  
19 knowledge of the workings of an airplane has listed the need  
20 for an airplane as provided in this Section, except that of the  
21 Beechcraft KA-350 executive aircraft owned by the State on the  
22 effective date of this amendatory Act of the 96th General

7 Responsible officers shall periodically report all  
8 transferable property at locations under their jurisdictions  
9 to the Administrator. The Administrator shall review such  
10 reports and arrange for physical examination of said property  
11 if necessary to determine if said items of transferable  
12 property should be transferred to another State agency,  
13 transferred to a central warehouse, or disposed of. The  
14 Administrator shall advise responsible officers of the results  
15 of these reviews as necessary.

16 The staff under the jurisdiction of the Administrator shall

19 Administrator's staff, any property appears to be  
20 transferable, the Administrator shall notify the responsible  
21 officer of his determination. The executive head of the agency  
22 holding the property in question may appeal the determination
